BULK MATERIAL HANDLING
Products & Accessories

With the agility and work ethic of a thoroughbred racehorse, we at Shrachi BTL EPC Ltd. have been committed to the fluid expansion of India's infrastructure for the last 50 years. In this time, we have honed our expertise and worked on key projects, accumulating experience of providing instinctive, precise and winning turnkey solutions in an unmatched track record of maxing a nation's infrastructural ambitions.

ENTER THE WORLD OF BULK HANDLING DIVISION

Entered the Bulk Material Handling Equipment sector in the 1980s. Today, with more than 30 years of experience in this field, we now work for some of the most prestigious clients in the country. Our scope of work entails the design, manufacture, supply, erection and commissioning of Bulk Material Handling projects on a turnkey basis. Our operational sectors see us offer equipment and components for industrial systems in sectors like Steel, Power, Oil and gas, Cement, Mining, Coal and minerals, etc.
