Elevate Attendance Management – Facial Recognition for Touchless Verification.

Scool360's cutting-edge attendance system for seamless tracking of both Student and Staff attendance for improved productivity.

Attendance Tracking

The system captures and recognizes faces for precise attendance tracking, minimizing errors from manual methods.

Easy Integration

Enables seamless integration with ERP systems and other applications, boosting operational efficiency.

Attendance Calculation

Ease of attendance calculation reduces the time taken for attendance capturing, leading to improved efficiency and safety.

Data Access

Empowers administrators with real-time access to attendance data for prompt intervention and smoother operations.

Multimodal Authentication

It also offers fingerprint and RFID authentication for added flexibility and convenience.

Secure Data Management

Manages data securely through a multi-tenant SAAS application via the cloud, ensuring data privacy and security.

Reporting Capabilities

Intuitive reporting enables easier attendance reconciliation, simplifying administrative tasks.

Embrace productivity with Scool360's next-gen touchless attendance system. Stay future-ready for the digital era, ensuring competitiveness and relevance in education.

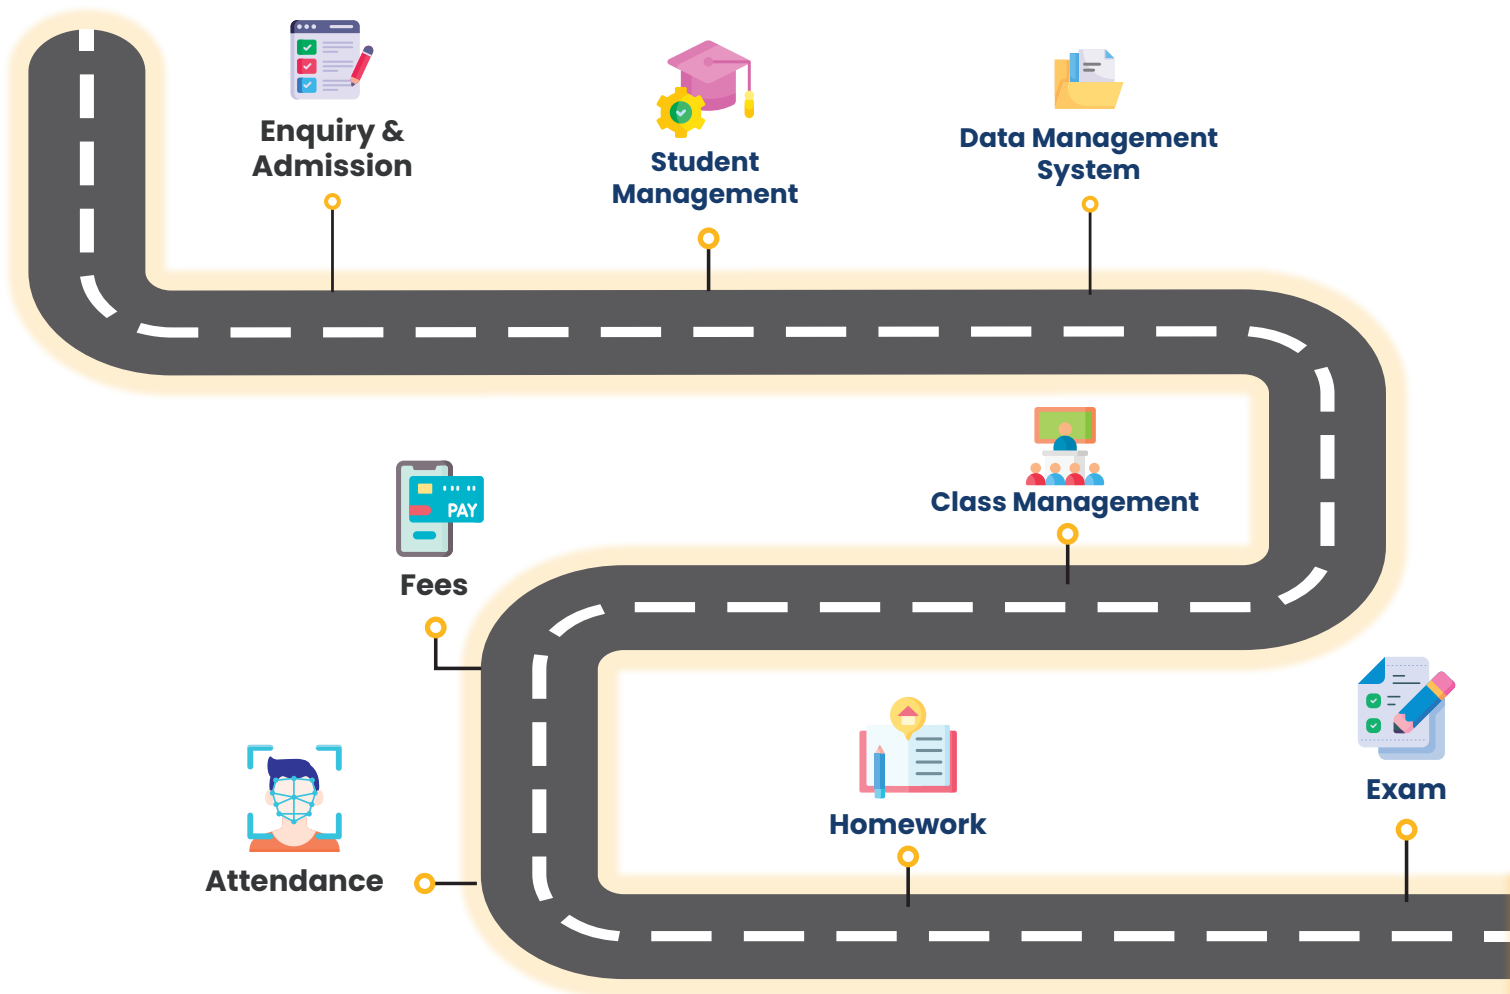

Automated Administrative Tasks

Elevating Efficiency in Administration

Scool360 automates administrative tasks like Admissions, Exams, Fee Management, Finance, Communication, Scheduling, and Reporting, empowering educators to focus on teaching and mentoring students.
