# WHO WE ARE

INDIA'S 1ST DIGITAL HOLISTIC HEALTH AGGREGATOR SPECIALISING IN THE MANUFACTURING & HEAVY ENGINEERING SECTORS

USE TECHNOLOGY TO PRODUCE A CORRELATION BETWEEN H&P, PROFITABILITY, WELLNESS AND WELLBEING

**IBM**

**Gowtham Raj Viswanathan**  
Co-Founder

**Ranjit Kovilinkal**  
Co-Founder

Since we deal with health data of the clients which are very sensitive in nature, we have always gone in for the best product/service even though we are a start-up. IBM has helped us to let our clients know that we have gone in for very reliable services in terms of availability, response times and security of our online application

**mHV myHealthvalet**
